MISSION

Mid-American is in a league by itself when it comes to GSA elevator contractors. We are a veteran owned family business that prides itself on providing the highest quality and reliable elevator service while giving our customers the best value. Mid-American Elevator has put in place a detailed, comprehensive, and very successful program for the elevator renovation and maintenance for all of our GSA contracts. We provide elevators, escalators, hoists, mastclimbers, automated parking machines, autowalks, and innovative solutions for sustainable maintenance and modernization.

Mid-American Elevator Company, Inc., now the largest independent elevator company in Chicago, has been a leader in the elevator industry for over 30 years. A family-owned business, Mid-American is large enough to tackle almost any maintenance, renovation or construction project, but small enough to give our customers the individualized attention they deserve.
